Introduction: Explore Crawford County (ECC) is the official destination marketing organization for Crawford County, Kansas and is funded by the county's Transient Guest Tax. These funds are specifically designated, by county ordinance, to fund the operations of Explore Crawford County and to promote the county as a destination.

Guidelines:

1. Requests must be submitted **a minimum of three (3) months** before funding is needed.
2. Limit one (1) request per Meeting or Event.
3. Assistance will only be accepted if the event provides a means to increase awareness of Crawford County as a destination.
4. If approved, applicants shall not assume that funding is pre-approved for subsequent years or amounts.
5. Meetings or Events must be held within Crawford County.
6. Incentive requests shall not exceed \$1,500.
7. Applicants will receive 50% of funds following board approval of the application. The remaining 50% will be paid after the applicant submits the Post Meeting and Event Summary Report, which must be completed and submitted within 45 days after the event. Expect it could take **up to 60 days** to receive remaining funding due to board and county procedures.
8. Applicants failing to submit the Post Meeting and Event Summary Report will not be considered for future requests.

Any applicant found guilty of violating, misleading, neglecting or refusing to comply with these guidelines shall be disqualified from submitting any future requests.

Ineligible recipients include political campaigns or parties; adult related industries; groups that discriminate on the basis of age, race, ethnicity, gender identity, sexual orientation, or national origin, schools, churches and other religious organizations; programs or events that serve the special interests of an individual or group and provide no benefit to the county as a whole; individuals; and/or groups with which the county is currently in litigation or have sued the county in the past.
